

IS SG RIGHT FOR YOU?

If you have just started searching for your perfect wedding designer and already feel overwhelmed, thinking, "How much do their services cost?" or "Do they only work with couples with a certain minimum expenditure?" and so on, then the below information may help you.

We work hard to align our company's processes with our values. Our prices are derived from providing a detailed, stress-free experience for our clients. If you feel this aligns with the kind of experience you are seeking, our brand would be a good fit for you.

We're reliable and trustworthy - we do what we say.

Ask us for referrals - we encourage our clients to speak for themselves.

We're communicative - we talk through solving problems and try to create win-wins for everyone involved.

We're experienced - we have a diverse team of Graphic Designers, Carpenters, Coordinators, Event Stylists, and Florists.

We're efficient - we do things systematically and with attention to detail.

We believe in education - our process includes pictures, detailed floor plans, and 3D renderings.

Our introductory consultation includes detailed List Guides, which help answer all your FAQs.

Thanks for considering working with us!
